

DEARBORN HISTORICAL MUSEUM

ONLINE SCAVENGER HUNT
HARD DIFFICULTY

The DHM is hosting an online scavenger hunt to encourage young Dearborn residents to improve their online research skills and learn a little bit about Dearborn history in the process. Most questions can be completed using www.TheDHM.com, but some will require visiting other sites.

Contact us at museum@ci.dearborn.mi.us when you are done. Children who complete these tasks will receive a prize!
