

With My Own Two Hands MLK Day Craft

Supplies Included:

Earth Cut Out
Poem
Construction Paper
Crayons
Pencil
Stickers

Supplies You Need:

Scissors
Glue or Tape

Instructions:

- Cut out your planet earth using scissors.
- Attach your poem to the top of your planet earth using glue or tape.
- Use your pencil and piece of orange construction paper to trace both of your hands. You may need your parents help with this step.
- Cut out your hands using scissors and attach them to each side of your planet earth using glue or tape.
- Using crayons or a pencil, answer the question "How Can I Change The World With My Own Two Hands?"
- Decorate your craft using stickers, crayons, and anything else you have available at home to make it special!
